

Employment

Gibbs Assistant Professor, Yale University, 2014 – Present

Postdoctoral Research and Teaching Fellow, University of British Columbia, 2011 – 2014

Areas of Interest: Algebraic geometry and its interactions with commutative algebra, combinatorics and topology

Citizenship: United States Permanent Resident and Colombian Citizen

Education

Ph.D. Mathematics, University of Michigan, 2011. Doctoral Advisor: Professor Mircea Mustața

M.S. Mathematics, Universidad Nacional de Colombia en Medellín, 2005

B.S. Mathematics, Universidad Nacional de Colombia en Medellín, 2003

Conference and Seminar Presentations

Invited Talks:

Algebraic Geometry Seminar, Columbia University, December 2015
Algebraic Geometry Seminar, Brown University, April 2015
Algebraic Geometry Seminar, Yale University, February 2015
Algebraic Geometry Seminar, Harvard-MIT, October, 2014
Algebraic Geometry Seminar, University of Massachusetts, October 2014
Colloquium, Johns Hopkins University, February 2014
Colloquium, Cleveland State University, January 2014
Algebraic and Tropical Geometry Seminar, Yale University, January 2014
Joint Mathematics Meetings, AMS Session on Algebraic Geometry, January 2014
Geometry and Physics Seminar, University of British Columbia, January 2014
Fragment Seminar, Colorado State University, November 2013
Colombian National Congress of Mathematicians, Universidad del Norte, July 2013
Bellingham Algebraic Geometry Seminar, Western Washington University, April 2013
Colloquium, Universidad Nacional de Colombia en Medellín, December 2012
Algebraic Geometry Seminar, Ohio State University, October 2012
AMS Sectional Meeting, SS on Geometry of Algebraic Varieties, University of Akron, October 2012
Algebraic Geometry Seminar, University of British Columbia, September 2011
Oberwolfach Workshop: New Developments in Newton-Okounkov Bodies, August 2011
Joint Mathematics Meetings, AMS SS on Birational Geometry & Moduli Spaces, N. Orleans, January 2011
Algebraic Geometry Seminar, University of Utah, November 2010
Algebraic Geometry Seminar, University of Arizona, November 2010
Institut für Mathematik der Brandenburgische Technische Universität Cottbus, Germany, July 2010
Algebra Seminar, University of Connecticut, April 2010
Latin American Colloquium of Algebra, Colombia, 2007
Colombian Congress of Mathematicians, Colombia, 2007

Other Presentations:

Poster Presentation, WAGS Conference, UC San Diego, November 2013
Poster Presentation, AGNES Conference, Boston College, October 2013
Poster Presentation, AGNES Conference, Brown University, October 2012
Poster Presentation, WAGS Conference, University of Arizona, November 2010
Research Presentation, Topics in Algebraic Geometry Seminar, University of Michigan, November 2010
Poster Presentation, AGNES Conference, University of Connecticut, September 2010
Research Presentation, Summer School on Birational Geometry & Moduli Spaces, Salt Lake City, Utah, June 2010

Research Presentation, Mathematical Research Communities Workshop on Birational Geometry & Moduli Spaces, Snowbird, Utah, June 2010

Poster Presentation, AGNES Conference, University of Massachusetts at Amherst, April 2010

Research Presentation, University of Michigan, April 2009

Research Presentation, Workshop on MMP, Columbus, Ohio, October 2008

Research Presentation, PCMI Summer School, Park City, Utah, July 2008

Algebraic Geometry Student Seminar, University of Michigan, various dates 2006 – 2010

Teaching Experience

Yale University (Average class size: 35 and 7 students)

Instructor, Multivariable Calculus, Fall 2015

Instructor, Multivariable Calculus, Fall 2015

Instructor, Graduate Topics Course in Algebraic Geometry, Spring 2015

Instructor, Multivariable Calculus, Fall 2014

Instructor, Multivariable Calculus, Fall 2014

University of British Columbia (Average class size: 100 students)

Instructor, Integral Calculus, Winter 2014

Instructor, Integral Calculus, Winter 2014

Instructor, Calculus for Commerce, Spring 2013

Instructor, Linear Systems, Winter 2013

Instructor, Linear Systems, Winter 2012

University of Michigan (Average class size: 30 students)

Instructor, Pre-calculus, Spring 2011

Instructor, Calculus I, Fall 2011

Instructor, Calculus II, Fall 2008

Instructor, Calculus I, Fall 2007

Instructor, Calculus I, Fall 2006

Instructor, Pre-calculus, Winter 2006

Instructor, Pre-calculus, Fall 2005

Universidad Nacional de Colombia en Medellín (Average class size: 50 and 15 students)

Instructor, Abstract Algebra III, 2005

Instructor, Introduction to Analysis, 2004

Instructor, Mathematical Reasoning, 2003

Instructor, Linear Algebra, 2003

Professional Activities

Undergraduate Research Mentoring:

Coordinator of the Summer Undergraduate Research program at Yale, SUMRY, 2016.

Project leader at the Summer Undergraduate Research program at Yale, SUMRY, 2015.

Assistant for DAAD RISE Research Internship, University of British Columbia, 2013.

Other Undergraduate Mentoring:

Sophomore Advisor, Yale University, 2015 – Present.

Senior Essay Advisor, Yale University, 2015.

Teaching Assistant, *PCMI/IAS Undergraduate Summer School*, Park City, Utah, July 2008.

Consultant for Educational TV show:

Designer of weekly mathematical challenges for Colombian educational TV-show *Piensele!*, 2012 – 2013.

Episode samples: <https://www.youtube.com/watch?v=4Q66gWr187A> <https://www.youtube.com/watch?v=yqwnOYTcEMk>

Research Journal Referee:

Israel Journal of Mathematics.

Michigan Mathematical Journal.

Bulletin of the London Mathematical Society.

Proceedings of the American Mathematical Society.

International Mathematics Research Notices.

Transactions of the American Mathematical Society.

Mathematical Olympiads Mentoring and Contributions to Organization (Selected):

Coordinator, 54th *International Mathematical Olympiad* IMO, Santa Marta, Colombia, 2013.

Grader for several Canadian mathematical contests 2011 – 2014.

Deputy Leader and Academic Coach of the Colombian Team for the 45th *International Mathematical Olympiad* IMO, Athens, Greece, 2004.

Mentor and Instructor, Colombian Mathematical Olympiad Training Programs, 2000 – 2004.

Conference and Seminar Co-Organizer:

AGNES Conference, Yale University, 2016.

BATMOBYLE Conference, Yale University, November 2015.

BATMOBYLE Conference, Yale University, November 2014.

Yale University Tropical and Algebraic Geometry Seminar, 2014 – Present.

University of Michigan Student Algebraic Geometry Seminar, 2009 – 2011.

Fellowships

US Junior Oberwolfach Fellowship, March 2016.

Rackham One-Term Dissertation Fellowship, University of Michigan, Winter 2010

Research Training Grant Fellowship, University of Michigan, Fall 2010

Research Training Grant Fellowship, University of Michigan, Fall 2009

Arthur Herbert Copeland, Sr. Memorial Scholarship, University of Michigan, Spring 2008

Graduate Departmental Scholarship, University of Michigan, Spring 2007

Cameron & John Courtney Scholarship, University of Michigan, Spring 2006

Mazda Fellowship from Mazda Foundation for Arts and Sciences, full coverage of M.S. studies 2003 – 2005

Medellín City Council Fellowship, full coverage of B.S. studies 1999 – 2003

Selected Mathematical Olympiad Awards

International Mathematical Competition for University Students

Every year, prestigious universities around the world send teams of their top three to six undergraduate students. The jury grants First, Second and Third Prizes, Honorable Mentions and Certificates of Participation to students who solve a certain number of problems. www.imc-math.org

First Prize, Cluj Napoca, Romania, 2003

(Note: First Prizes are awarded to several participants)

Second Prize, Warsaw, Poland, 2002

(Note: Second Prizes are awarded to several participants)

Third Prize, Prague, Czech Republic 2001

(Note: Third Prizes are awarded to several participants)

Third Prize, London, England, 2000

(Note: Third Prizes are awarded to several participants)

Colombian National Mathematical Olympiad for University Students

First Place, Bogotá, Colombia, 2002

Second, Third and Fifth Places, Bogotá, Colombia, 1999, 2000, 2001.

Colombian National Mathematical Olympiad for High School Students

First Place, Bogotá, Colombia, 1999

Iberoamerican Mathematical Olympiads

Silver Medal, Undergraduate Level, 2002

Silver Medal, High School Level, 1999
